GOVERNMENT FIXES EIGHTY-CENT PRICE FOR WHEAT GROWER

Order Authorizes Board to Pay Minimum Regardless of World Prices—Grain to Be Offered for Sale Continuously and No Attempt to Be Made to Hoard or Set Up Monopoly

OTTAWA, Aug. 4 (AP).—Western farmers are assured of a price for their 1938 wheat on the basis of 80 cents a bushel for No. 1 Northern wheat, delivered at Fort William. That is the fixed minimum price the Canadian Wheat Board is authorized to pay for deliveries from the crop now ripening.

Prime Minister Mackenzie King, announcing the price after a Cabinet meeting today, said it had been recommended by the Wheat Board and approved by the Government.

At the same time, he indicated that there would be no change in the marketing policy pursued by the Government and the Wheat Board. Canadian wheat would be offered for sale continuously at world prices and there would be no attempt to hoard or seek a monopoly.

TO COMPETE ON MARKETS
He read a brief statement prepared by Trade Minister Butler, chairman of the wheat committee of the Cabinet, which said:

"The milling and grain trades of the world are advised that notwithstanding the internal initial price of eighty cents a bushel, the Canadian Board is authorized to pay for deliveries from the crop now ripening."

CHARGE SCHOOL SURVEY BIASED

Saanich Councillors Allege Special Committee Represented Teachers

Bias in favor of the school teachers on the part of the special committee appointed by the Provincial Government to make a survey of the education system and individual schools in Greater Victoria, was charged by members of the Saanich council last night.

During a brief discussion of the committee's report, which was made public on Wednesday, Councillor L. C. Hagan claimed that the "Saanich teachers must have used some powerful arguments with the committee."

Councillors E. C. Warren and John Oliver alleged that the members of the committee represented the teachers' federation, and had not carried out an impartial survey.

INCREASE IN TAXES
Discussing the committee's recommendation that the schools of the city and three surrounding municipalities should be consolidated under one central board of trustees, Reeve William Crouch stated that, according to the committee's own report, taxation for education purposes in Saanich would be increased from \$78,000 to \$136,000.

Further consideration of the survey findings was deferred, pending receipt of copies of the report.

The council also briefly considered a copy of a brief prepared by the Municipality of North Cowichan.

Land Mine Explosion Kills Six

JERUSALEM, Aug. 4 (AP).—Six Jews, including two women, were killed and eleven were injured today by a land mine explosion near Kfar Saba, in the Plain of Sharon, between Samaria and the Mediterranean Sea.

The mine was buried on the road between Ramathkavah and Kfar Saba and was set off when it was struck by a truck load of Jewish laborers.

Those not killed were injured seriously by the blast. It was the most serious of a recurrence of terrorist acts cropping up in the renewed Jewish-Arab struggle.

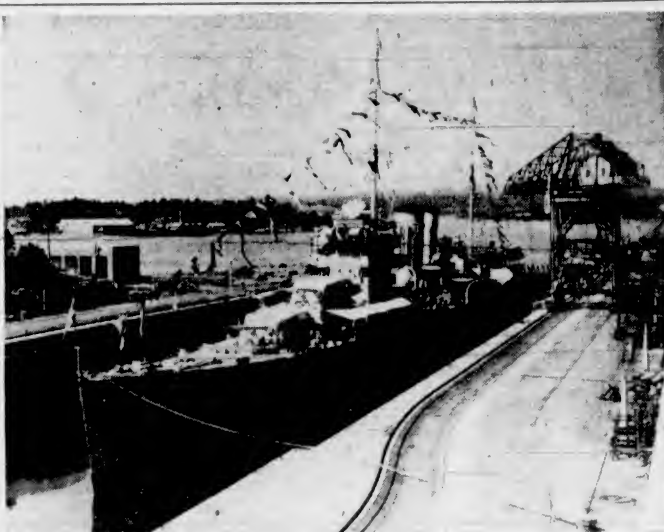

PROLIFIC NOVELIST DEAD

LONDON, Aug. 4 (AP).—Captain William Babbington Maxwell, well-known British novelist, died today. He was seventy-two. Maxwell wrote thirty-eight novels in his lifetime, the latest being "Jacob's Ladder," published last year.

H.M.S. York in Drydock at Esquimalt

Yesterday morning the flagship of the American and West Indies Station was floated into the Dominion Government Drydock at the naval base. It is stated the York is the first Royal Navy ship to occupy the big basin. Yarrows, Limited, workmen are making the repairs to the propeller, which will require several days to complete. On Saturday and Sunday, while still in drydock, the York will be open to the public between 3 and 6 o'clock in the afternoon. The ship will be refloated Sunday evening, and will proceed on Monday to Vancouver, where she will visit for fourteen days before sailing for Bermuda.

Relief Promised From Heat Wave Sweeping Canada

Forecast Is for More Moderate Conditions Following Destructive Storms—Cooler Conditions Also Bring Relief in Sections of United States—Several Industries Closed by Heat

MODERATION of the heat which has swept Canada from Coast to Coast this week was promised by the Meteorological Bureau at Toronto for most parts of the country today, with scattered thundershowers in all provinces.

TORONTO NOT QUITE SO GOOD

Parks and Playgrounds in Future Will Be Open On Sunday

TORONTO, Aug. 4 (AP).—Celebrated dinnery of Toronto Sunday, observed virtually without complaint for generations (except by visitors) is to be tucked in the mothballs. Toronto is going to have a little fun on its day off.

The board of control acting at the instigation of Controller Fred Hamilton, one-time sandlot baseball star, today ordered all recreation facilities in the city's 103 parks and playgrounds be thrown open each Sunday from an hour after noon until dark.

"This means," said Hamilton, "that probably 50,000 persons will have a place to play on Sundays, where formerly they were unable to get any exercise."

Now athletes can play baseball on seventy-three diamonds, cricket on thirteen pitches, football or soccer in thirty-eight fields, tennis on 309 courts, lawn bowls on thirty-seven greens. Swimmers still will flock to the beaches, the city's seven pools being capable of taking care of comparatively few.

In winter the city will throw open seventy-seven outdoor skating rinks, seventy hockey cushions and fifteen toboggan slides.

Mayors' Conference Names Committee to Aid Tourist Travel

Dinner and Meeting Here Last Night Lead to Effort To Obtain Visitors for Pacific Northwest From California Exhibition

CO-OPERATION of effort between towns and cities in British Columbia, Washington and Oregon to bring tourists to the Pacific Northwest by taking advantage of the San Francisco Fair in 1939 and to encourage extension of travel, was the keynote of the conference of mayors of cities of the Pacific Northwest held last night in the Empress Hotel here.

After considerable discussion of attractions being arranged by individual cities, it was agreed by the conference to appoint a committee of seven to confer with executive authorities of British Columbia, Washington and Oregon on facilities and future possibilities of advertising the tourist attractions of the Coast region.

Gas Used To Avert Clash

Group of Doukhobors at Brilliant Dispersed When Trouble Seems Certain

NELSON, Aug. 4 (AP).—British Columbia police hurled tear gas bombs today to disperse a group of Doukhobors at nearby Brilliant, who were milling around the office of the Christian Community of Universal Brotherhood, Ltd.

Inspector C. G. Barber said the tear gas was used to prevent a clash between the Doukhobors and police.

The disturbance came as a climax after several days of unrest in which two Doukhobor buildings had been burned. It was understood the Doukhobors demand the discharge of officers of the Christian Community of Universal Brotherhood, which manages the affairs of the Russian religious sect.

LARGE CROWD GATHERED
Police were called to the scene after several days of unrest in which two Doukhobor buildings had been burned. It was understood the Doukhobors demand the discharge of officers of the Christian Community of Universal Brotherhood, which manages the affairs of the Russian religious sect.

Those attending the meeting demanded the dismissal of community company directors. Last night a group told members of the staff at the Brilliant office to leave, and later padlocked the store and office.

Guards were set around the factory buildings tonight to prevent possible sabotage. Last Monday a Doukhobor school at nearby Pass Creek was destroyed by fire, and twenty-four hours later a Doukhobor church at nearby Thrums was burned. Police said they believed the fire to be of incendiary origin.

UNCONSCIOUS MAN FOUND BY POLICE
Condition of Gordon N. Carter Reported Critical at Jubilee Hospital

Gordon N. Carter, 115 Stewart Avenue Nanaimo, was found unconscious on the sidewalk outside a building in the 1600 block on Store Street early yesterday morning by Constables James Strong and Larry Greenwood.

Dr. Thomas Miller, who attended, found Carter suffering from a bruise on the right side of his head and a large bump on the rear portion of his skull. He also had two black eyes. He was rushed to the Jubilee Hospital in the police patrol and did not regain consciousness until several hours later.

Police found that Carter had been attending a convention here and was to have returned to Nanaimo on Wednesday night. Provincial Police notified relatives of his condition. He layed into unconsciousness again in the afternoon and last night his condition was reported as critical.

FAVOR SWEEPSTAKES
That Government-controlled sweepstakes to aid hospitals be legalized on the condition that ex-servicemen be employed to sell tickets.

That changes be made in customs regulations to compel all imported goods to be marked with the country of origin. It was stated Canada's steamship buttons were being manufactured in Japan and circulated in Canada.

That a Dominion Government commission study possibilities of construction of the Alaska Highway to match a similar United States commission.

Brazilian Zionists Are Placed Under Government Ban

RO DE JANEIRO, Aug. 4 (AP).—The Brazilian Zionist Federation was placed under a Government ban today on grounds that it was of political character. Francisco Campos, Minister of Justice and the Interior, ordered the federation and all Zionist centers dissolved, and directed police to see that the order was carried out.

One Killed In Alberta Car Smash

EDMONTON, Aug. 4 (AP).—Mrs. W. B. Whittington, of Mayerthorpe, Alta., was killed and her husband, W. B. Whittington, sixty-nine, seriously injured when their automobile side-swiped another car, skidded on loose gravel, crashed through a bridge railing and plunged fifty feet down an embankment at a bridge near Siba Beach, fifty-five miles west of Edmonton, today.

The Whittingtons were returning to their home, ninety-five miles west of Edmonton, from a visit to Ponoka. Their daughter, who was unhurt, was driving.

CALGARY, Aug. 4 (AP).—Private Leonard A. Whittington, twenty-two, of Victoria, learned of his mother's death. Mrs. W. B. Whittington, killed in a motor crash at Siba Beach, where a military camp near here, late today.

Member of the Princess Patricia's Canadian Light Infantry, at Sarnee for training, Private Whittington has been stationed at Victoria for the past year, coming here in mid-July with the Coast unit to attend the Small Arms School.

ARE GENEROUS TO MINORITIES
Rumanian Cabinet Publishes New Statute Giving Them Wide Privileges

BUCHAREST, Rumania, Aug. 4 (AP).—The Rumanian cabinet tonight published a new nationalities statute hailed by the Government as providing generous settlement of the claims of the nation's minorities embracing 7,000,000 citizens.

The twenty-eight-point law, effective immediately, gives Rumanian citizens full equal rights as to language, religion and race.

Minority schools will be subsidized by the State and teaching will be permitted in the mother tongue of the various nationalities. Parents will have the right to decide in what nationality their children shall be educated.

Additional provisions include: Minorities youth may organize under State supervision and only such school teachers may examine children who understand the child's minority language.

Officials of the Government Administration will not be permitted to interfere with the religious, religious methods.

Minorities members may use their mother language in court and other official functions if they are unable to speak Rumanian.

Minorities banking institutions may establish minority sections under the same terms as Rumanian banks.

The resolution favoring greater defense preparations urged immediate action to increase "the strength of the permanent naval, army and air forces equal to the other parts of the Empire in proportion to population."

Outcome of Conference Held by Soviet Russian And Japanese Diplomats Indicates That Border Warfare Carried On at Changkufeng Will Not Develop Into Major Conflict

Suggested Battle Zone Be Neutral Until Settlement

TOKIO, Aug. 5 (AP).—Japan today offered Soviet Russia compromise peace terms for ending border warfare that holds the threat of an additional major conflict in the troubled Far East.

Reliable sources said the peace proposal suggested mutual withdrawal from the battle zone where the frontier of Russian Siberia joins those of Japanese Korea and Manchukuo, scene of bitter fighting for the last five days in culmination of tension that started on July 15.

At that time Japanese troops bombarded Changkufeng Hill, which Soviet forces had started to fortify on July 11. It created the most serious incident of almost four years' intermittent frontier friction between the Soviet Union and Japan.

A NEUTRAL ZONE
According to the Japanese plan the disputed territory would remain a neutral zone pending settlement of the boundary, which the Soviets assert already is definitely marked by Russo-Chinese agreement of June 26, 1906, but which Japan claims is here.

A Japanese army communiqué said the battle zone 140 miles southwest of Vladivostok, Soviet Pacific seaport, was comparatively quiet, although occasional Soviet artillery direct shots at Japanese positions.

The Japanese said the Korean village of Kono still was under sporadic bombardment however.

PEACEFUL SENTIMENTS
Japan's offer to withdraw came as Dornet Japanese news agency reported settlement was growing both in Tokyo and Moscow for indication of the fading and for diplomatic efforts to find a peaceful solution. Tokyo newspapers featured similar peaceful sentiments.

Storm Spreads Havoc in Southwest England—Whole Town Flooded

LONDON, Aug. 4 (AP).—A violent thunderstorm spread havoc today along the entire southwest coast of England, cloaking scores of towns in midnight darkness.

Rail traffic ceased. Roads became impassable and hundreds of houses were flooded as torrential rain and ominous clouds swept eastward toward London.

The town of Newton Abbot was reported completely flooded. A thunderbolt there struck a minehead, pierced a garage roof and blew out a wall, hurling blocks of masonry sixty feet.

The rains were the heaviest in England in many years.

The storm also hit Ireland and Wales. But London and Eastern England remained in the grip of a six-day "heat wave" with temperatures in the 80s.

Drops Search For Missing Ocean Plane

MANILA, Aug. 5 (AP).—The United States Navy today abandoned its vast search for the missing Hawaii Clipper, which disappeared over the Pacific with fifteen occupants one week ago.

All navy ships and planes participating in the hunt, which covered over 100,000 square miles of ocean and shoreline east of Java, were ordered to return to their bases in Manila.

The twenty-six-ton craft disappeared while en route here from Guam on a regular trans-Pacific flight from California after radioing her position some 500 miles over the ocean east of here.

CHRONIC HECKLER OF NEW YORK PASSES

NEW YORK, Aug. 4 (AP).—Stewart Browne, president of the United Real Estate Owners' Association, and one of the most persistent hecklers of municipal government, has ever known died today. He was eighty-four.

For twenty years Browne appeared regularly at meetings of the board of estimate, loudly demanding the right to be heard as a taxpayer on virtually every subject that came before the board.

FOREST FIRE THREATENS TOWN NEAR NELSON
NELSON, B.C., Aug. 4 (AP).—A squad of fire fighters was rushed to Apex, five miles west of here, tonight, where a fire broke out back of Ozenk's Ranch and started a rapid march toward a hilltop. Officials planned to call some of the sixty unemployed single men who reached here tonight to aid in the battle against the fire, one of five new outbreaks reported today.

Opposition Takes Humboldt Riding Opened to Give Minister, a Seat

HUMBOLDT, Sask., Aug. 4 (AP).—Joseph Burton, prominent Humboldt district farmer, tonight passed the Humboldt Provincial constituency in the Opposition column, casting to days a bi-election against Mr. C. M. Dunn, Liberal Minister of Highways, by 145 votes.

Mr. Burton was waging his fifth campaign for the Co-operative Commonwealth Federation in the last four years.

The vote was Dunn, Lib., 2,763; Burton, C.C.F., 3,508. The total vote 7,471 was 209 higher than at the provincial general election on June 8 when Mr. Burton was defeated by Dr. J. C. King, Government candidate by 195 votes.

The vote on June 8 was: King, Lib., 3,635; Burton, C.C.F., 3,440; and Alms, (Social Credit), 387.

TWO-PARTY CONTENT
There was no third party in the field in today's by-election and Opposition forces, excluding the Conservatives, co-operated against the Liberal candidate.

Mr. Dunn sought election to the Legislature after being defeated by a Social Credit in Meville by only forty-seven votes at the June 8 election. Today's victory was necessitated by the resignation of Dr. King who vacated the seat to make room for Mr. Dunn.

With all seats in the Legislature now filled, the party standing is as follows: Liberal, 31; C.C.F., 11; Social Credit, 2; Independent, 2.

GOLD DISCOVERY MADE IN NORTH

Ottawa Hears Reports of Important Find North of Great Slave Lake

OTTAWA, Aug. 4 (AP).—Indications that a large and important gold discovery has been made in the Franklin River and Mystery Lake area, north of Great Slave Lake, have come to the Department of Mines and Technical Surveys.

Many claims are being staked in the area, which prospectors have been working for some time. Attention was directed to the whole north side of the lake by recent discoveries in the Yellowknife area, and the present find is believed to be the result of prospecting effort inspired by the Yellowknife and other developments.

Teachers of Province See Diversity of Life Among Rural Schools

Every Section of British Columbia Represented in Student Body of Summer School of Education, Which Is Concluding Sessions Here

CHRISTMAS, a school party, and oranges one dollar a dozen! This is one of the problems with which parents in Atlin are confronted at the festive season. Incidentally it also touches the Atlin teachers, of whom Miss M. E. Conroy, now attending the Summer School of Education here, is one.

Every section of British Columbia and a wide diversity of character in the background of the rural schools are represented in the student body of the Summer School, whose sessions are concluding today.

Oranges really are one dollar a dozen at Christmas time in Atlin, so putting one in the top of a stocking there represents considerably more serious thought on the part of Santa Claus than it does in most places on the North American continent. Other delicacies for the occasion cost accordingly, except the Christmas tree itself, which, of course, is cut down in the nearby hills. Again, while there are forests of trees, wood is expensive, costing \$5.50 a cord as against \$7.50 in Victoria. This is due to the difference in the cost of labor.

At Atlin a not uncommon winter-day temperature is forty degrees below zero. But Miss Conroy says that this does not in the slightest way affect school attendance. She has never yet had to close school because of the cold. The school is heated by a furnace, and comfortable—parents know how to dress their children to resist the cold out of doors, so school "keeps" no matter where the mercury stands, and the children play outside during recess and before and after classes just as they do everywhere else. All the children up there, even the smallest tot, at an early age learning to balance himself and soon getting about nimbly.

Shawnigan Girls in Graceful Pose

Dressed in unusual costumes, to represent cellophane dolls, members of the Shawnigan Lake Dramatic and Badminton Clubs made a charming picture as they posed on the Shawnigan Lake Athletic Association's colorful float in the Junior Chamber of Commerce August parade through the city on Wednesday afternoon.

The security offered by the salaries, but because they like the place, the people and the general social background, which is one of security. Recreational sports are highly developed in the community, both for children and adults, and wherever they go children are always anxious to get back where they can play games under such ideal conditions.

MINING TOWNS

Wingdam, thirty-two miles east of Quesnel on the way to Barkerville, and Hedley, twenty-five miles southeast of Princeton, are two mining towns represented by teachers at the Summer school, Miss Margaret J. Cunningham coming from the former, and Miss A. Marlan Emmott from the latter.

Although it is so young, Wingdam, which has a population of about 300, is quite modern in equipment, with electricity, running water and up-to-date sanitation. Miss Cunningham, who has been three years the only teacher, and has children ranging in age from six to eighteen years in all classes up to and including the eighth grade, Miss Emmott, on the other hand, is one of four teachers in a four-room school. Although it is her first school, she has seen a great deal of rural school life throughout British Columbia, having moved about the province a great deal with her people. Her father is in the Provincial Police service. From what she has seen of some other schools, she considers the one at Hedley very good, fortunate in the possession of a school board which shows every desire to help the teachers in every way.

Children in any given locality generally know more about things connected with the leading industry of that locality than about other things. Children of Wingdam and Hedley understand mining terms. One of the pastimes of the Hedley boys is hunting rattlesnakes in the nearby hills, and occasionally a skin is brought back as a souvenir for a teacher.

INVERMERE'S SCHOOL
R. K. Brown, teacher of Invermere, B.C., has been taking a course at the Summer school, too. He is one of the staff at Invermere's five-room school, which accommodates the elementary grades and the high school classes. The community is settled by retired English people some of whom farm, and by families connected with logging, mining and other industries. The opening of the new road into Invermere has brought them into closer proximity to the market afforded by Banff and Lake Louise during the tourist season for their fruit and other farm produce. Here, too, the community is quite ambitious for its school, and shows good co-operation with the teachers in any progressive move. They have, for instance, fallen in well with the physical training programme and the emphasis placed in modern education of "games for the game's sake."

FROM OCEAN FALLS
Another of the Summer school teachers is Miss E. C. Long, Ocean Falls. She has been there fourteen years, and wouldn't like to be moved anywhere else. A company town, Ocean Falls stands behind its three schools (public, junior high and senior high) generously, and gives within reason, practically anything they want in addition to what the Government supplies. They have, for example, one of the best musically equipped schools in the province, with a good piano, a wonderful Victor gramophone, and 200 of the best records.

There is also a splendid teachers' reference library. Each teacher periodically makes out a requisition which is submitted to the supervisor, who adapts expenditure to the allowance available for such purposes. Teachers' salaries are also assisted by the company. The Provincial Government minimum salary for teachers is \$780; in Ocean Falls the minimum salary is between \$1,100 and \$1,200, with additional annual increment if the teacher is satisfactory. So teachers try to stay on at Ocean Falls, not only because of

by lightning while he was sitting in front of a stove at his home in Lewis County in Eastern Quebec.

HOMES BLOWN DOWN

Dozens of homes were reported blown down by the wind with a large number injured. The twin spires of a Roman Catholic church at St. Thecle, near Three Rivers, were blown down to the ground. Roofs of more than forty-five buildings were blown off in St. Thecle, a town of less than 1,000 population.

British Columbia enjoyed comparatively temperate weather. Edmonton started the day off with the cooling effects of an overnight rain, and other Western cities reported temperatures in the low 80's and 70's.

By the Associated Press

HOT AND DRY

Heat and cool weather checker-boarded the United States last night—but high temperatures and dryness held the upper hand.

Rain—from light to heavy—fell in numerous sections, but skipped Missouri, a state where moisture was needed badly to prevent serious crop damage. Warm weather was predicted there.

Higher temperatures were forecast, also, in Maryland, the Great

Lakes region, Minnesota, and other scattered areas, while the South in general experienced normal Summer weather.

California was cooler after a three-day heat wave. Thunder showers brought relief to Indiana and Southeastern Pennsylvania.

Washington, D.C., sweltered in a 90-degree temperature, and the mercury hit high levels in Arizona, several California spots, Utah, Kansas and Texas.

A number of deaths were attributed to the heat, but exact figures were not available.

Industries in several cities closed

down because of the heat, while a storm so darkened Philadelphia and the surrounding area that lights were turned on in homes and offices.

New York City had a bit of relief as clouds scudded up and showers fell, but the humidity was high and temperatures rose again.

"When did you hurt your hand, Bill?"

"Coming home last night from Jim's party I'd very nearly reached the house when some clumsy idiot stepped on it."

TEACHERS PLAY LIKE CHILDREN

Summer School Students Give Practical Activity Demonstration

Although there were no children in the scene, it was just like children's playtime in a well-supervised schoolground yesterday afternoon at the High School.

It was the Summer School of Education "play-day," exemplifying a new idea in physical education whereby all the pupils get out and play with each other instead of concentrating on games of rivalry between schools. The Summer School students, teachers who are shortly going back to their schools to teach their own children group games and the spirit of games, gathered in force on the grounds yesterday, the girls in gymnasium shorts and blouses, the men in trunks, broke up into teams with their separate instructors, and moved around from game to game as they played in friendly groups.

This was during the first part of the afternoon. There were six groups: Softball, volleyball, group-game groups, relay and track races, hockey and folk dancing.

DISPLAY IS GIVEN

The second part of the programme was "open house," when the physical education department of the Summer School put on a demonstration of work done during the past few weeks. The display consisted of the following:

General activity, showing the activities as portrayed in an elementary school programme, and bringing into play various simple equipment such as hoops, skipping ropes and balls.

Fundamental rhythm activity showing the fundamental steps of

dancing. This was under Miss Barbara Hutton's direction.

Vaulting and tumbling by senior and junior high school teachers. This was under the direction of Ernest Lee, physical education director.

Modern gymnastics, illustrating exercises used in preparation for modern dances, and serving as "body-conditioning" exercises.

Sports, representative of the sports done in the school, softball, lacrosse, soccer, volleyball, jumping, speedball, etc.

Pyramid groups by the senior high school group.

Elementary folk dancing given by the girls under Miss Hutton's direction.

MADE MEMBER OF EXCLUSIVE CLUB

C. J. McFarlane, Calgary, Honored For Services to Explorer Wilkins And Soviet Airmen

In recognition of his work last year in treating the gasoline used by Sir Hubert Wilkins in his flights over the Arctic searching for the missing Russian flyers, as well as for the Russian planes based at Fairbanks, C. J. McFarlane, Calgary, has been made a member of the exclusive Explorers' Club, of New York. Mr. McFarlane was nominated by Sir Hubert Wilkins and by the Russian Embassy at Washington.

Mr. McFarlane first went to Alaska last August to treat the gasoline for the Wilkins' plane, and on his return to Calgary went to Fairbanks to process the fuel for the Russian flyers searching for the Alaska towns.

The active membership of the Explorers' Club is around 150. Among those who are members are Charles A. Lindbergh, Richard Byrd and Lincoln Ellsworth. The only other Canadians who have been awarded memberships, according to McFarlane, are Herbert Hollick-Kenyon and Al Cheeseman.

In spite of the honor, which he greatly appreciates, Mr. McFarlane stated here Wednesday that he is not going to do any exploring. He was a visitor to Victoria for five days as a guest of Harry Riches, 3135 Yew Street, who went to school with McFarlane.

still was pushing her prow cautiously through a heavy fog that later lifted. Brooklyn's Irish delegation turned up aboard the yacht. Celtic Circle, shouting greetings through the mist.

Brooklyn had been denied the first welcome on land—a ceremony to which it loudly had laid claim because it was from that borough that Corrigan's flight began—but Brooklyn's greeters could not be kept back from the high seas.

Another group of them went out on the river steamer State of Delaware, dodging all the other swarming craft, taking along a band of bagpipers to pipe Corrigan home. Upon this boat they joined forces with the borough of Queens.

FRENZIED ACTIVITY

In the harbor, the scene was one of vast and frenzied activity. After the liner passed quarantine and started through the narrows, she became visible to those standing on the Battery and a great fleet of nondescript vessels—State Island ferries, river steamers, tugboats, excursion boats—sent up a series of melancholy roars. Afloat from shore flew a single green kite, trailing the words, "Welcome, Corrigan!"

At the pier, when at last she pulled in, a massed crowd roared a welcome. Thousands lined the entire waterfront.

With screams of "Hi Corrigan! Yay Corrigan!" the crowds greeted him. Police were everywhere about the pier shed. Many of the Irishman's admirers waited for him at the hotel where he planned to spend the night.

The roof of the reception at the hotel was so overwhelmed by the sturdy flyer, his long smile fading perceptibly for a moment, looked awed at the scene about him and murmured:

"Gee, I never thought it would be like this for me."

First Plane on Vancouver-Northern B.C. Run Leaves Mainland City

PRINCE GEORGE, Aug. 4 (AP).—Cleaving a pathway through the sky practically paralleling the route to Northern British Columbia first traveled by the gold-seeking Argonauts of the early '60s, the United Air Transport Company's new, four-engine, ten-place Fleet airplane landed at the Prince George air harbor on the Fraser River at 11:20 a.m. today, inaugurating the first direct air mail and passenger service from Vancouver to the Yukon, via Prince George.

Prominent passengers making the initial flight were J. Gray Turgeon, Liberal Member of Parliament for Cariboo; Mayor George C. Miller, of Vancouver, and Postal Inspector Clarke, of Vancouver. J. E. Smeets, Edmonton, Jack Meek, the Vancouver Sun, and C. Scott, the Vancouver Province.

JOINT PILOTS

G. W. C. McConachie and Ginger Coote, officials of the airport company, having the mail contract, were joint pilots.

Volume of mail and passengers necessitated using two planes on this inaugural flight and the second plane, a Norseman, was piloted by Sheldon Luck.

A large crowd of citizens were at the air harbor to welcome the ships. Addresses were made by Mr. Turgeon, Mayor Miller, Postal Inspector Clarke and Prince George's mayor, A. M. Patterson, with a few remarks by Grant McConachie and Ginger Coote. The plane got away at 12:15 for Port St. John.

TWO TRANSPORTS

VANCOUVER, Aug. 4 (AP).—A Vancouver-Yukon airmail service was inaugurated today when two United Air Transport planes took off from here with 26,000 letters, weighing 800 pounds.

Mayor Miller, of Vancouver, and J. G. Turgeon, M.P., were passengers on one of the ships, piloted by Grant McConachie and Ginger Coote. The mayor and Mr. Turgeon will go as far as Port St. John, B.C., and return to Vancouver tonight.

It will be of inestimable benefit to all points along the line, Mr. Turgeon said.

Which was attended by a large gathering of Vancouverians.

Totals to date this year with 1934 aggregates in brackets, were:

Sockeye, 207,481 (198,636); spring 8,470 (11,280); steelheads 449,606 (bluebacks 17,397 (26,124); coho 19,662 (28,832); chinook 44,462 (71,276); chum: 10,569 (5,417).

VANCOUVER SHIPPING

VANCOUVER, Aug. 4 (AP).—Two new patrol cutters will be added to the Federal Government Fisheries fleet next year, it was announced today. Both vessels will be built in British Columbia and shipyards are awaiting the call for tenders.

Estimates for the ships have been provided, according to Major J. A. Motherwell, chief supervisor of fisheries on the Pacific Coast, and engineers are preparing plans. When these are complete, tenders will be called.

R. O. Campney, president of the National Harbor Commission, and Commissioner B. J. Roberts, accompanied by E. G. Cameron, left Ottawa today, and will arrive here Monday on regular semi-annual inspection. K. J. Burns, Vancouver port manager, announced this morning.

Pioneers and Vancouver shipping men today celebrated Arthur "Dad" Heathorn on his seventh birthday. "Dad" was born in Victoria and was one of those who chartered a steamer to go to Port Moody from the island for the arrival of the first train. He came to Vancouver thirty-eight years ago and was connected with several shipping lines. He was also superintendent of Laponie Pier at one time.

The motorship Silverbellie, Capt. E. Stark, was at Ballantyne Pier today loading for South America and west ports. Homer Ryan will embark here for a round-the-world trip.

Keith Clinch, chief steward aboard the Silverbellie, once a regular out of this port on the old Aurange and later on the Empress of India, was renewing old acquaintances and making his way around the city, which he has not seen since 1911.

The British freighter Junna arrived overnight with a cargo of rail from Turks Island, British West Indies.

Booby—There was a time when people said I had more money than brains. They can't say that any more.

Woogy—Why not?

Booby—Because I'm down to my last dime.

Woogy—Yes, but you've got the dime, haven't you?

DUE TO SAIL
FOR ORIENTEmpress of Russia Will
Leave Local Dock To-
morrow Afternoon

Sailing for Far East ports tomorrow, the Canadian Pacific S.S. Empress of Russia, Captain J. F. Patrick, R.N.R. commander, is scheduled to leave Rithet Piers at 5:30 p.m. The liner has a full passenger list and is due to clock here at 4 p.m. to embark passengers and load mails and general cargo.

KETTLE VALLEY

The Canadian Pacific Railway is offering another bargain fare excursion between Coast points and the Kettle Valley division of the road, as well as points in the West Kootenays. The tickets will be good for twelve days of travel and holiday in the Interior, exclusive of the starting day, August 10. Tickets for Victorians will be good to leave the C.P.R. station, Vancouver, on the 8:55 p.m. train only, August 10. The return trip must be completed by Monday, August 22.

FOURTH TRIP

Among the prominent passengers sailing on the North German Lloyd liner Europa from New York last week were Mr. and Mrs. Lincoln Ellsworth, who are en route to England, from where they will fly to Nairobi for a mountain-climbing trek. Mr. Ellsworth will join his expedition ship, the Wyalp Earp, in Capetown on October 1 on his fourth trip to the Antarctic.

LUMBER SHIPS

Two freighters left the Ogden Point Piers yesterday after loading lumber cargoes here. The Starcross, which took 600,000 feet, shifted to Port Alberni, and the Dallington Court, completing loading 1,750,000 feet left for Cowichan Bay.

First thing this morning the Hopewell will commence loading lumber for South African ports. She was due to arrive here overnight.

EXCURSION SHIP

Coming in from Bellingham early yesterday afternoon, the S.S. Princess Victoria had several hundred excursionists aboard. After an afternoon of sightseeing and shopping, the visitors sailed for home at 5 o'clock.

Next week the S.S. Princess Victoria is scheduled to take Victoria excursionists to Vancouver.

ANOTHER CANOE

Walter Lambert, veteran canoeing Vancouver school teacher, has a new canoe. Scrapping the Tenessee, which carried him through 1,850 miles of rough and calm waters, a new craft was landed on the local Canadian Pacific wharf during the week and was paddled to Lambert's Summer camp at Rocky Point, where he is holidaying.

Malahat Legion

Holds Meeting

SHAWNIGAN LAKE, Aug. 4.—The regular meeting of the Malahat Branch of the Canadian Legion was held at the home of Winnie-Commauder P. A. O. Leask at Mill Bay on Tuesday evening, with a good attendance of members.

A healthy financial balance was shown in the statement presented by the secretary.

Final arrangements were made for the coconut shy and spinning jenny to be staged by the Legion on gala day. A vote of thanks was moved to the Women's Auxiliary for its work in the recent card party.

After adjournment the Legion and its W.A. were entertained by Commander and Mrs. Leask in a novel game programme. Prize-winners were Mrs. A. Sutton, Mrs. T. Jones, A. I. Dyson and G. Orr.

"These trousers may be useful to you," said the kind old lady. "All they need is a little mending."

"That's all right, lady," said the tramp. "I'll call back in an hour."

"Who's that man you keep smiling at?"

"The fellow who introduced me to Sweet Caporal."

PERSONAL ITEMS and SOCIAL HAPPENINGS

Miss Fiddick Married to Mr. Southin

NANAIMO, Aug. 4.—A wedding of wide interest in pioneer circles of the Upper Island was solemnized by Rev. E. B. Eytan, officiating at St. Philip's Church, Cedar District, the principals of which were Elizabeth Emily, daughter of Mr. and Mrs. Harry Fiddick, Cedar District, and Mr. Leslie Fiddick, Cedar District, and Mr. Christopher Chesborough Southin, son of Mr. and Mrs. W. W. Southin, Seilar, V.I.

The church was beautifully decorated for the occasion with Summer blooms. Given in marriage by her father, the bride wore a lovely gown of white slipper satin. It was fashioned with a Medici collar and trimmed with rows of silencing, and the semi-princess effect dipped to the floor in graceful flares. Her bouquet was of pink and white lilies, rosebuds and carnations.

She was attended by her sister, Miss Violet Fiddick, wearing a floor-length ensemble of powder blue tulle with puffed sleeves and a puffed "V" neckline. Her hair was in matching shades and carried a bouquet of pink and white carnations that matched the bride's.

A Home Frock or Coverall Apron

With Slim Look . . . In Sizes 14 to 18

A CONTRASTING white supple collar and ruffling, makes a very effective trim for this cool vest neck cotton print frock or "coverall" apron. Its ideal to breakfast in or to slip on over your dress when preparing dinner or when you're putting the children to bed. It wraps the figure in youthful slenderness and is quick to get in and out of. The brief sleeves are very free and easy to go about your household chores. Even a beginner will find it a joy to use. The one-piece front and one-piece back are joined to a shoulder yoke. No sleeve problems! See diagram how literally simple it is to sew. It opens out almost flat for ironing.

Style No. 2714 is designed for sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46 and 48-inches bust. Size 36 requires 4 1/2 yards of 36-inch material with 1 yard of 35-inch contrasting.

of her gown. Mr. Frank Ward was best man.

Mr. Edwin Lowe, Lady Smith, played the nuptial music. Mrs. Oakley Forbes, cousin of the bride, sang during the signing of the register.

A reception followed the ceremony at the Speedway Hall, where mothers of the contracting parties received the guests. Mrs. Fiddick wore a becoming ensemble of navy with grey accessories, and Mrs. Southin, grey with black accessories. The bride's table was beautifully decorated with choice cut flowers and centred with a three-tier cake. Mr. Leslie Fiddick sang during the reception hours.

The couple left amid a shower of good wishes by motor for Victoria, which will be the first stop of their honeymoon to be spent in the Northwest states and touring British Columbia's interior.

They received many beautiful gifts and will reside at Saltair.

Young People Enjoy Camp

Kratts Island, the lovely Summer emporium of the Baptists of British Columbia, has been the scene of much activity in Christian education during the past few weeks. Successful boys' camps were held under the direction of Rev. M. A. Talbot and Mr. Frank Patch, Vancouver, Mrs. E. H. Boyd, Vancouver, the supervisor and registrar of the Baptist girls' camps, was the popular hostess at the intermediate and senior girls' camps.

Miss Lilian Parfitt, Victoria, directed the intermediate girls' camp, with ninety-two in camp. Miss Parfitt was assisted by a camp mother, fully trained nurse, a sports officer and seven group leaders, including Miss Crystal Lorber, Victoria, the rest of the staff being from Vancouver and New Westminster.

Eleven happy days were spent by the girls, the daily routine including morning watch on "The Glory of God," Bible study course entitled "Marching With the Heroes," interest groups, including camp craft, health talks, various handicrafts, beginners' classes in diving and lifesaving. The afternoons were devoted to recreation, including swimming, boating, tennis, hiking, etc. and at twilight songs, stories, legends and other entertainment was enjoyed under the huge campfire, and each day was brought to a close with evening vespers and "Taps."

Rev. G. A. Reynolds, pastor of the First Baptist Church, will be the deacon of the Baptist assembly camp from August 13 to 23, inclusive, with a special summer people's convention on August 13 and 14. Special speakers at this camp will include Dr. and Mrs. Harold W. Vernon and Dr. and Mrs. Orville Daniel, missionaries from India, and also Rev. J. A. MacRae and others.

CHICAGO, Aug. 4 (AP).—Pipe in the feminine fall fashions—these were Scotch. Plaids and styles inspired by Bonnie Scotland were getting a big play today from wholesalers participating in the Wash Apparel Show's Fall and Winter market. More than 1,000 buyers saw the three-hour "hit parade of Fall washables" last night. And let it be said that "washable" apparel no longer means cotton and linen alone. In 1938 style language it includes synthetic materials that look like silk crepe, velvet, corduroy, satin, hannel, and wool.

Odds and Ends Are Turned to Good Use

HALIFAX, Aug. 4 (AP).—A woman's skill with a hairpin is proverbial, but you ought to see what they can do with a few odds and ends of wool a few in cans and some discarded burp.

The most popular section of the handicraft show at the Women's Institutes of Nova Scotia Silver Jubilee Convention was the thrift division. There were shirts for father made from flour bags, and for baby made from a discarded paternal sweater. Junior trousers might have been anything from a cut-down dinner jacket to a well-trodden doormat, while useful footstools were made from old tin cans.

CHAS-SOCIETIES
Legion W.A.
The Women's Auxiliary to the Malabar Branch of the Canadian Legion met on Tuesday evening, by kind invitation of Wing-Commander and Mrs. P. A. G. Leach, at home at Mrs. H. H. The president, Mrs. J. B. H. presided. Arrangements were made for the annual Legion and Women's Auxiliary picnic to be held on the grounds of Mill Bay Inn on August 21, the date to be postponed one week in the event of inclement weather. Final arrangements were made for the attendance of Mrs. J. B. H. as official delegate at the coming convention in Vancouver. After adjournment, the members joined the Legion for a new programme of games arranged by the host and hostess.

Silver Tea Today
The First St. James Church will hold their usual silver tea afternoon in the S.O.E. Hall. Mrs. Partridge will be the hostess. The entertainers will be Mrs. Carter, Mrs. Frampton and Mrs. Johnston.

The minister, walking down a lane one day, came to a deep hole. He looked for help and after some time a laborer heard his cries and approached.

"Who are you?" he asked.

"I'm the minister," was the agitated reply. "He's me out quite a ways, well, he needs make a hole," answered the other slowly. "This is only Wednesday night and he's not wanted before the Sabbath."

Queen Spends Her Birthday Aboard Yacht

LONDON, Aug. 4 (AP).—Princess Elizabeth and Margaret scurried along the corridors aboard the Royal yacht Victoria and Albert today to the suite of their mother, Queen Elizabeth, with gifts for her thirty-eighth birthday.

They had hidden the packages in their nursery cabin since the start of the family's "go as you please" vacation cruise began July 28.

The yacht was expected to dock at Aberdeen late today for the Royal Family's annual visit to Scotland.

At a "family party" attended by the officers of the yacht, the King, handed gifts to the wife from himself and others of the family.

The yacht's crew clubbed together to buy the Queen a present, and got a double rum ration for the day in honor of the occasion.

Children Travel By Airplane to Visit Relatives

SEATTLE, Aug. 4 (AP).—Going to sea rainy and grand was a good deal different for three children here this afternoon than when their parents were boss and girls.

Born in Borneo, Mary and Cecily Pollock, ten and seven, of Los Angeles, stepped off a Malabarizer and into the arms of their grandparents, Rev. C. A. and Mrs. Pollock, Cambridge, England.

Right behind them came Donald Wright, five, San Francisco, to be welcomed by his grandmother, Mrs. V. H. Botsford, Seattle.

The children were quite nonchalant about their airplane trip, but thrilled at seeing their grandparents.

The Pollock party left by steamer for Victoria and Lake Cowichan, where Mr. and Mrs. Pollock are visiting.

Air Hostess Job Is Much Coveted

OTTAWA, Aug. 4 (AP).—When Trans-Canada's latest twin-engine plane starts from Montreal heading for Vancouver to inaugurate the continental passenger service in September, it is expected two well-known stewardesses will be on board.

Adeline, Seattle, and a Vancouver mark to their plan, gaudy costumes will be silver buttons, with a silver cap badge.

To date the head office of the Trans-Canada Air Lines in Montreal has been swamped with more than 300 applications from women across Canada who are desirous of pioneering in the hitherto undeveloped field of air hostess. Most of these have been discarded due to lack of special qualifications on the part of the applicants.

They must be registered nurses, unmarried and without planned prospects for matrimony. They must be between the ages of twenty-one and twenty-six, not taller than five feet five inches and weighing from nine to 125 pounds. Perfect vision and normal hearing are demanded. No flying experience is required of an air hostess, but it is desirable that she have some knowledge of dietetics. A physical examination is a primary requisite.

Paton Showing New Color for Winter

PARIS, Aug. 4 (AP).—Pinkish rust, a new color named carnation and sponsored by Paton, was shown in Winter style display.

There were many front-draped skirts with bloused backs, and some lined blouses and box pleated skirts. Embroidered flower clips were favored as jewelry.

"Many day skirts were circular-shaped. Some very tight evening skirts were shown, but full skirts also shared attention.

Being showed striking full-skirted evening dresses in emerald green, pink and white more. Much velvet was used for day wear in wine reds and duck greens.

THE WRONG COLOR

SEATTLE, Aug. 4 (AP).—Police officers took their heads sadly when informed the county coroner's office had let their weakness for a "clean-up week" cost of burial.

Three men were found in a yellow with county police and W.P.A. labor. White it prescribed in post-mortem regulations.

Little Stories for Bedtime

Tommy Tit Gets a Drink

By THORNTON W. BURGESS

When Peter Rabbit left the shelter in the far corner of the Old Orchard where Bob White and his family were so comfortable, the very first person he saw was little Tommy Tit the Chickadee. Now Tommy is quite the liveliest of all the little feathered people who spend the winter in the Old Orchard and the Green Forest, instead of hurrying away to the Sunny Southland at the first hint of cold weather. He is forever cutting up antics from sheer good sports. Tommy Tit the Chickadee. He is a great believer in the power of example. If he feels happy, and he does most of the time, he wants everybody to know it, because one of the surest ways of making other people happy is to be happy yourself and let your neighbors see that you are.

So Peter wasn't at all surprised to see Tommy Tit hanging upside down from a twig of an old apple tree and flitting about and uttering almost turning somersaults in the air. Presently Tommy's bright eyes saw Peter and he flitted over to speak to him.

"Cold day, isn't it?" said Tommy, picking up an ice-covered twig.

"It certainly is," replied Peter. "I wonder how you find enough to eat when it is so cold?"

"It would be hard work for Farmer Brown's boy," returned Tommy. "I guess I would find enough to keep alive somehow, but it would be hard work. Ever since Farmer Brown's boy has been thoughtful enough to put out fresh suet every once in a while I've had nothing to worry about so far as food is concerned. I tell you that a little fellow like me appreciates this weather. It must be hard work for you to get enough to fill that big stomach of yours, Peter."

"Oh, I can get enough such as it is," but Peter Brown's boy didn't forget me this time, either. He brought me some turnips and carrots to the Old Briar Patch, and Mrs. Peter and I had a feast," replied Peter. "He scattered seeds for Bob White and his family, too."

"Yes, and he put out nuts for Chatterer the Red Squirrel and Happy Jack the Gray Squirrel, and corn for Sammy Jay and Blacky the Crow," Tommy Tit broke in eagerly. "I guess nobody will starve around here if he can help it. Getting enough to eat doesn't worry me any more, but getting enough to drink is another matter these bitter cold days. If it wasn't for Jolly, bright Mr. Sun I don't know what I should do. Of course I could fly over to the Big River to the place that never

"I don't care how funny it is as long as I get the water," replied Tommy. "But let me tell you, Peter, it isn't everybody who can get a drink this way. It takes lots of practice to learn how."

"I'm glad I don't have to stand on my head to get a drink," said Peter, and both laughed at the very idea.

TEXTBOOK PLAN WINS APPROVAL

Duncan Board to Rent Required Books to High School Pupils

DUNCAN, Aug. 4.—The School Board, at its meeting last night, gave approval to a scheme of co-operative textbook purchasing framed to effect a saving to parents in the matter of high school textbook costs. Under this plan the board would purchase books through the Department of Education at a discount. These would serve four classes and would last for four years.

The present cost of books for pupils entering Grade VII is \$6.70. Under the new plan these books would be rented at an annual rental of ninety-five cents.

This plan has been in successful operation in several Vancouver schools, but is new on the Island. It has not been previously tried in a community as small as Duncan, and for this reason the Department of Education is rendering all possible aid to the experiment. This aid will take the form of extended credit to the board in meeting the capital outlay connected with the inauguration of the scheme.

HEALTH OFFICER RESIGNS
Dr. H. P. Swan, for many years school medical health officer, tendered his resignation, which was accepted with regret, and a letter of appreciation for excellent service rendered will be forwarded to him. Dr. Swan is leaving the district to take up residence in England.

An estimated increase of fifty-five in high school examinations resulted in the employment of another teacher, and applications for the position will be advertised for. An application for a release was also received from V. Jones, commercial instructor, who had an offer of a more lucrative position. This was granted and a successor will be sought. The board then passed a resolution that no more releases will be granted.

YOUTH TRAINING PLAN GETTING UNDER WAY

QUEBEC, Aug. 4.—Quebec Province's new youth training plan under which the Federal and Provincial Governments jointly will spend \$200,000 for youth and assistance has been signed by the Trade and Commerce Minister, Joseph Bédard, on behalf of Provincial authorities. It was learned today at the legislature.

NORTH SHORE AND WINNIPEG XI PLAY TO DRAW

Yankees Stretch Lead by Beating Detroit Club, 8-4

New York Club Widens Margin to Two and a Half Games Over Idle Cleveland Indians—Danny MacFayden Turns Back Pirates—Chicago Cubs Blank Giants by 6-0 Score

The New York Yankees landed on "iron" Kennedy with a six-run blast in the fifth inning yesterday and coasted to an 8-4 victory over the Tigers behind Monte Pearson's nine-hit pitching.

The victory boosted the Yankees' American League-leading margin to two and a half games over the Cleveland Indians, whom they meet in a three-game series, beginning tomorrow.

Joe Dimaggio hit his twentieth homer of the year in the seventh for Gordon hit a double and single with Rip Radcliff and Gerald Walker pairing their thirty-one-hit attack. Chicago's White Sox beat the Philadelphia Athletics in both games of a double-header, 8-2 and 7-3.

Radcliff, who batted out four singles and a double in the first game and got three for five in the second, ran his two-day hitting to ten consecutive safeties before he was stopped in the nightcap.

Walker poked out two doubles and a single in the first game and two doubles and two singles in the second.

Harry Kelley, veteran right-hander, pitched shutout ball for seven innings and then faced up as the Washington Senators took the final of a three-game series with the St. Louis Browns, 10-4.

Respectable Danny MacFayden hurled the Boston Bees to a 4-3 win over Pittsburgh's National League-leading Pirates, giving him his tenth victory of the season and his fourth straight. He allowed twelve hits, but held the Pirates in check in the pitches.

Backing up Larry French's six-hit pitching with a five-run blast in the sixth inning, the Chicago Cubs blanked the Giants 6-0 for their second shutdown win of the current series.

It was the twelfth whitewash job pointed on the Giants this season, and left them five and one-half games behind the pace-setting Pittsburgh Pirates in the National League chase.

Keen Competition at Naval Sports

Sharp competition featured the naval track and field events held yesterday afternoon at Macdonald Park under the direction of the Victoria celebration committee. In the top picture, the Colonist cameraman snapped the finish of the 100-yard dash for ratings under twenty. Bryan, of the H.M.C.S. Naden, is seen breasting the tape just a step in front of Jones, also of the Naden, and Williams, of the H.M.C.S. Fraser. Jones is on the far side and Williams on this side closest to the camera. In the bottom picture is a scene during the naval tug-of-war event, with the Canadian naval team in the white shirts and the H.M.S. York in the dark on the far side. The visiting sailors lost the first pull, but came back and took the next two to win the honors. In the background of the top photograph sitting on the bench are, left to right, Alderman W. H. Davies, chairman of the celebration committee; Alderman Burges Gadsden, Mayor and Mrs. W. H. Davies, McGavin and Mrs. W. H. Davies.

Record Price Is Paid for Jones By Arsenal Club

LONDON, Aug. 4 (P.)—Bryan Jones, Welsh international inside forward of Wolverhampton Wanderers, today was sold to Arsenal for a world record price for a soccer player.

It is understood Arsenal, a London club, paid £13,000 (£260,000) for the player. The previous record was £10,800 (£216,000) paid by Arsenal to Bolton Wanderers in 1928 for David Jack.

Jones stands only five and one-half feet, but is considered one of the best footballers of the present generation.

will oppose Derivage and Bill O'Brien of Montreal.

Bill Pedlar continued his bid to retain his Junior men's crown, defeated Harold Brown, of Toronto, 6-1, 6-2 and gaining semi-finals against Wilmer Wilson, of Saskatoon, who beat R. Grant of Toronto, 6-0, 6-2.

6-0, 6-2. Charlie Saba, of Toronto, whose brother Nick lost to Pedlar in last year's final, will play Mel Jones, of Toronto, after downing B. Joyner, of Toronto, 7-5, 6-2.

Jones defeated W. Waugh, of Toronto, 7-5, 7-5.

Robinson broke through in the eighth game and held his advantage to take the set. In the third he won five straight games, rapping mid-court placements past Parker. A tendency to too frequent cross-court hittings turned the tide against him, for the alert Frankie began snapping his shots down the lines for points.

ERRS FREQUENTLY
Caught on the run, Robinson went out quickly. He erred frequently and rumpled up any chances for kills. Parker came from behind a 0-5 score to take the set, and led 2-5, 7-5, 6-0.

The four survivors were the top seeded players, and it was left to the men's doubles to supply the day's one big upset and the most titanic match.

Vancouver's clever young Bill Pedlar and Phil Pearson defeated Bill Piro of Hamilton, Ont., and Ross Wilson 6-3, 6-3, 4-6, 6-4, gaining the semi-finals against Murray and Watt, who defeated Don McDermid, of Ottawa, and Gordon Robinson, of Stamford, Ont., 7-5, 7-5, 6-0.

In the other semi-final bracket, Allison and Parker, who defeated Lewis Duff of Montreal, and Doug Cameron, Vancouver, 6-1, 6-2, 6-3,

Visiting Bowlers Win Annual Match Against Victoria

Score 338-277 Victory After Keen Competition on Three Local Greens—Mrs. Mowat and Mrs. Greenwood Reach Women's Final

BY W. H. YOUNG
Play in the lawn bowling tournament in progress in Victoria was carried along merrily yesterday, with the result that everything is now well in hand, so much so that the finalists have been decided in several of the events.

In line with the custom since the inauguration of the big lawn bowling meetings here, the Victoria Greens' battle staged last night proved a great number of outsiders, it became necessary to utilize the greens of the Burnside and Lake Hill clubs in order to accommodate the large number from the outside.

In the play-off between Spooner and Mitchell, of Lake Hill, and Donavan and Fairley, of Vancouver, the event the former won by a score of 12 to 11 after one of the most evenly-contested games of the meetings.

Following is a list of the skips, with their scores, in the match between the visitors and the home-boys.

WOMEN'S RINK FINAL
The final game in the women's rink competition will be played on the greens of the Canadian Pacific club this morning, commencing at 9:30 o'clock. The rinks to meet each other in this final are skipped respectively, by Mrs. A. Stewart, of North Vancouver, and Mrs. A. W. Stewart, of Burnside, and judging by the form displayed by these opponents during the play-down, there should be a splendid exhibition of the game.

The same in the mixed rink competition, scheduled for today, will be played on the greens of the Victoria (Beacon Hill) Burnside and Lake Hill clubs. Each game will be for eleven ends, and four games are to be played by each rink. Play will commence on time.

The grand finale will be staged tomorrow afternoon at 2 o'clock on the Beacon Hill and C.P. greens.

WOMEN'S DOUBLES
The fours have been reached in the women's doubles—wed today at 6 o'clock games to enter the final.

City Net Titles Will Be at Stake At Victoria Club
WITH Mrs. J. C. I. Edwards and Commander J. C. I. Edwards scheduled to defend their singles titles, play in the city tennis championships will open on Saturday, August 13, at the Victoria Lawn Tennis Club courts, Port Street. Entries will close one day prior to the opening days play and should be filed with F. A. Jackson, secretary of the Victoria Lawn Tennis Club.

SEATTLE NINE WILL PLAY AT ATHLETIC PARK

Flashy Dog House Softballers to Perform Here Tomorrow Afternoon

Manager "Chuck" Dugan's classy Dog House softballers, champions of the Seattle "A" League for the last three seasons, will be seen in action tomorrow afternoon and evening when they visit here for a two-game international series with local nines. The visitors will oppose the Victoria Longshorem in the matinee attraction, commencing at 3 o'clock, and will play the Cameron Lumber in the nightcap, scheduled to start at 6:15 o'clock.

Well known to Victoria sport fans as manager of Alpine Dairies and DeMolay basketball squads, Dugan will be making his third trip as boss of Seattle softballers. He visited here in 1936 with the Faber Hardware Club, and last year came here with the snappy Dog House aggregation.

Champions of the Seattle league, the Sound-city ball tossers are reported to have a smart club, and their record of only three defeats this season is a sure indication of their strength. Runners-up in the Washington State tournament in 1937, the Dog House have gained the right to again represent the Sound-city in the major tourney this year.

McL Daggert, first-string hurler, will parade to the mound in the afternoon game with the Victoria Longshorem, while "Windy" Hocker-smith will do the hurling in the nightcap against the lumbermen. The Dog House line-up will be as follows: O'Neill, 3b; Curran, ss; Bruton, cf; Gray, lf; Mulford, 2b; Olmstead, 1b; Martin, c; and James, p.

GAME TONIGHT
Cameron Lumber and Victoria Longshorem, first and second berth squads, will open the Lower Island senior "A" championships this evening at the Royal Athletic Park, when they clash in the first of the three-out-of-five-game series for the pennant. The fixture will get under way at 6:15 o'clock.

"Rocky" McLeellan, ace hurler in the lumbermen's camp, will do the heavy work tonight against the stevedores. McLeellan has the fine record of eight wins and one defeat in league play. Ralph Bonner, pitcher, will probably be Manager Jim Lackie's mound selection in this important tussle. Bonner has been hurling good ball and should make things interesting for Cameron.

member of the C.P. Vancouver Club. Last year the final in this event produced some splendid bowling, when Mrs. Mowat succeeded in defeating Mrs. Whyte, of Kordale, by the margin of one point. The final game will be played on the C.P. greens tomorrow, commencing at 9:30 a.m.

WOMEN'S RINK FINAL
The final game in the women's rink competition will be played on the greens of the Canadian Pacific club this morning, commencing at 9:30 o'clock. The rinks to meet each other in this final are skipped respectively, by Mrs. A. Stewart, of North Vancouver, and Mrs. A. W. Stewart, of Burnside, and judging by the form displayed by these opponents during the play-down, there should be a splendid exhibition of the game.

The same in the mixed rink competition, scheduled for today, will be played on the greens of the Victoria (Beacon Hill) Burnside and Lake Hill clubs. Each game will be for eleven ends, and four games are to be played by each rink. Play will commence on time.

The grand finale will be staged tomorrow afternoon at 2 o'clock on the Beacon Hill and C.P. greens.

WOMEN'S DOUBLES
The fours have been reached in the women's doubles—wed today at 6 o'clock games to enter the final.

SECOND FIXTURE OF SOCCER PLAY-OFFS FINISHES IN A TIE

United Weston Comes Back Early in Second Half To Net Equalizer in One-All Battle in Western Canada Final—Third Game Carded for Tomorrow—Spencer Scores N. Shore Goal

Winnipeg, Aug. 4 (P.)—Vancouver North Shore United held United Weston of Winnipeg to a 1-1 draw tonight to force a third game in their best-of-three series in the Dominion Football Association Western Canada final. Weston now need only a draw in Saturday's game to enter the Canadian final, having won the first game Tuesday by a 3-2 score. Should North Shore win, a fourth game will be necessary.

Jim Spencer, who played an outstanding game for the Vancouver eleven, scored his team's only goal late in the first half. Doug McMahon equalized for Weston after sixteen minutes of the last period. The game, played before a huge crowd, was fast and clean throughout. Spencer, Harvey and Fingler were outstanding for the Far Western eleven, with Goalsie Davis, McMahon and Lang shining for Weston.

FORCES PLAY
From the opening whistle North Shore forced the play to the Weston end of the field. Bill Fingler, North Shore captain, drove a hot one from well outside which barely scraped the crossbar.

For a moment play shifted toward the visitors' net and Goalskeeper Rabbit had to be good on McMahon's drive.

The Vancouver players came right back and held Winnipeg inside their own territory, trying hard to gain the jump on their opponents. With but seven minutes of the opening half remaining Bill Fingler centred beautifully to McMahon, who headed the ball to Spencer. The latter made no mistake on a terrific shot which had Davis beaten all the way. The half ended with North Shore still pressing.

Weston opened the final stanza with a determined offensive which sent the visiting eleven back to their own ground. The continuous onslaught by the Winnipeg boys seemed to have a stinging effect on the North Shore team and Weston enjoyed a good margin of the play throughout the period.

Fingler and Morrison collided at the beginning of the half, with the former getting the worst of the collision. The North Shore player was forced to retire after a short while in favor of Robinson.

SCORES EQUALIZER
Sixteen minutes of the half went

by before the home team scored the equalizer. Hogert and Lang raced away together and passed out to McMahon, who beat Rabbit to the ball and headed it into the net. For the remainder of the contest both teams tried hard but neither could get the upper hand long enough to manufacture a goal.

In the closing minutes of play Swede Larson tangled with Slim Dickens and was carried from the field with a sprained ankle. Lane-ups: Vancouver—John Rabbit, Tom Cummings, Bob Harrison, Bill Wolfe, Trevor Harvey, Paul Kastolin, Bill Fingler, Swede Larson, Mike McMahon, Jim Spencer, Alex Christie, Subs: Robinson and Goodhart.

Winnipeg—F. Davis, Harry Shields, Jackie Morrison, Max Ploosa, Davey Moyles, Ernie Dickens, Allan Hogert, Doug McMahon, Eddie Hogert, Scotty Land.

Max Rosenbloom To Face Pastor

HOLLYWOOD, Aug. 4 (P.)—Few believe him on either count, but old bald-headed Maxie Rosenbloom, night club entertainer, screen actor and for fifteen years a box fighter, maintained today, with that deadpan expression that he will whip young Bob Pastor tomorrow night and then quit the ring.

The Rosenbloom, who, at thirty-four, admits only thirty-two of these years, has had 360 fights gives one excuse for his promises to win over the twenty-three-year-old New York fighter and then quit.

DON BUDGE GIVEN SULLIVAN TROPHY

NEW YORK, Aug. 4 (P.)—The Amateur Athletic Union finally caught up with Donald Budge today and awarded him with the James E. Sullivan Memorial Trophy as the outstanding United States amateur athlete of 1937.

Budge, the first tennis player to receive the award since it was instituted eight years ago, was in Australia last January when the committee announced he had won by a landslide. He returned home only last Sunday.

DOG SHOW TO BE HELD HERE

Plans Being Laid for Staging of Big Event at Willows Grounds

Plans are going ahead for the annual Fall show to be staged under the direction of the Victoria City Kennel Club in the Main Building on Wednesday, August 24. It was announced yesterday by Wally Bowden, the president.

One of the most interesting features of the event will be that for the first time in Canada that a show will be judged by three women. This is being introduced by the association in order to stimulate the idea that Canada should have more licensed judges and also to bring new and younger judges to the fore.

Mrs. G. O. Olsen, well-known breeder of many top, non-sporting and working breeds, will judge the mentioned groups. Miss Emma Dods, of Vancouver, who has been a keen breeder for many years, will look after the sporting and sporting hounds, while Mrs. Wally Bowden, Victoria, and known well in terrier circles, will judge all terriers in the show. The decisions of these three women will be passed on for best in the show by the well-known all-arounder from Vancouver, Norman McConnell.

Harry Dods will again act as show superintendent.

"VIVACIOUS LADY" OPENS RUN TODAY

Ginger Rogers and James Stewart Are Co-starring in Hectic Romance at Atlas

Following closely on the heels of her widely acclaimed success in "Stage Door," Ginger Rogers depicts another vivid role in "Vivacious Lady," in which James Stewart is her co-star, and which will open today at the Atlas Theatre.

Miss Rogers' part is that of a little singer who knows no life but the hectic atmosphere of Broadway, and who is catapulted into the academic quiet and stern dignity of a college community. The role is said to give the titan-bred star new opportunities to reveal her sparkling talents.

James Ellison, Charles Coburn, Beulah Bondi and Frances Mercer have supporting roles.

TRIO OF STARS HEADLINE CAST

Dick Powell, Priscilla Lane and Pat O'Brien in "Cowboy From Brooklyn"

"Cowboy From Brooklyn," with Dick Powell, Pat O'Brien and Priscilla Lane in the leading roles will start today at the Dominion Theatre.

It's the story of hilarious adventures of a Brooklyn crooner who goes West in order to make good in the East. Blended with the amusing story are charming melodic interludes in which Powell, Miss Lane and several other members of the large and talented cast sing the five new songs written for this production as well as some famous old-time cowboy ballads.

Despite the fact that "Cowboy From Brooklyn" is a musical, it is a picture of a man who is a young lady's America's Number One star.

Three Juniors and Veteran Player in B.C. Tennis Semis

Bob Carruthers, Ted Schroder, Harold Wagner And Mel Dranga Advance in Provincial Meet at Willows—Mrs. J. C. I. Edwards Reaches Semi-Finals of Women's Singles Play

Three juniors from California and the veteran, Mel Dranga, from Seattle, will play in the semi-final bracket of the men's British Columbia singles tennis championship at the Willows courts at 1 o'clock this afternoon.

R. Carruthers, seeded number one in the tournament, from Coronado, will oppose Ted Schroder, Glendale, racquet wielder. Dranga will oppose H. Wagner, San Francisco, in the other principal attraction.

Jack Brown, Vancouver, only Canadian remaining in the tournament, was eliminated by Wagner yesterday in three sets, Brown took the first, 2-6, but dropped the next two, 6-4, and 6-1. Carruthers also took three sets to win from P. Blugard, Seattle, by scores of 6-3, 2-6, 6-2.

Schroder took the measure of Art Marx, Beverly Hills, 6-1, 6-1. Dranga accounted for Bob Reedy, Los Angeles, in straight sets, 6-4, 6-2.

Partnered with Reedy, Brown also faded from the men's doubles championship as the quarter-finals concluded. Earlier in the afternoon, Brown and Reedy defeated the Vancouver team of Jimmy Bardsley and Ron Sidaway by scores of 6-1, 6-2. On Wednesday Bardsley and Sidaway captured the P.N.W. sectional doubles crown.

Yesterday both pairs were playing at a disadvantage. Bardsley was handicapped with a bad leg and Brown's serving arm was giving him trouble. R. Kennington and R. Hawes, also of Vancouver, failed to survive the second round, falling before the steady playing of R. Stanford and C. Roche, Los Angeles, by scores of 6-3, 6-1. Marx and Reedy, however, were victorious in straight sets, 6-3, 6-4, 6-2.

Marshall Gordon and E. McCallum, local doubles team, also failed to gain the semi-finals when they lost to three sets to J. Sisson and A. Herrington, Los Angeles, by scores of 3-6, 6-2, 8-6. J. Wells and K. Tuthill, Victoria, dropped

their match to Stanford and Roche, 6-0, 6-1.

Schroder and Wagner will meet Carruthers and Marx at 3 o'clock, and Sisson and Herrington will oppose Blugard and Roche in the semi-finals of the men's doubles this afternoon.

WOMEN'S SINGLES
 Mrs. Eleanor Young, Vancouver, and Mrs. J. C. I. Edwards will meet in one of the semi-final matches in the women's singles, with Miss Kay Staples, Duncan, opposing Miss Daphne Buckell, Oakland, in the other fixture. The matches will be held at 2 o'clock. Yesterday, Mrs. Edwards beat Miss Helen Peden, 6-2, 6-0.

It will be an all-Canadian semi-final in the women's doubles this afternoon, at 3:30 o'clock. Mrs. Tomlin and Miss J. Campbell will meet the Misses E. Young and K. Staples, and Mrs. Edwards and Mrs. Hocking will oppose Mrs. Marshall and Mrs. Burley.

The semi-finals of the mixed doubles will be run off at 5 o'clock this afternoon.

MEN'S SINGLES
 Fourth Round

GIANTS HAND LOCAL SQUAD 19-5 DEFEAT

Touring Ball Players Drive Out Four Homers in Final Ball Game

Hammering out twenty-one base hits from the offerings of Lloyd Cann and Sonny Walker, Victoria moundsman, Manager Jerry E. Goodwin's Arifield Zulu Giants, touring colored ball players from Detroit, last night trounced the Victoria All-Stars, 19-4, in the third annual game of the exhibition baseball series played at the Royal Athletic Park.

On the short end of a 4-1 score going into the third frame, the visitors brought their heavy gun into action and laced out nine bingles, including homers over the Pembroke Street fence by Chief Lolo, lanky centerfielder, and Penno, smart shortstop, and drove across eight markers. Bolo's hit was one of the longest seen at the Caledonia Avenue ball lot in many a day, the ball clearing the fence by feet and landing close to Princess Avenue, one block away.

Giants continued their assault in the next inning and punched out a quartet of base knocks which, coupled with bingles by the locals, allowed five runners to scamper across the home plate. Again in the sixth the visitors did a lot of heavy hitting, with Penno crashing out his second circuit drive of the game and Dea also hitting for four bases.

Victoria did all of their scoring in the first two frames, when they lunched five of the seven hits they collected from the slants and scy-balls of Little Prince Rusto, master comedian of the touring colored ball club, who did the hurling.

Hodges, former Trail boy, doing the pitching for Victoria, drove over the first run of the game with a single in the first frame and later scored on Morrison's triple. Tommy Restell, playing right field, scored the two final markers of the locals when he singled through second and sent George and Cann across the plate.

Clint Hodges, local catcher, was taken from the game with an injured index finger early in the game and Wally Scott took over the reins.

Lloyd Cann started on the hillcock and lasted for three and one-third innings, during which time he yielded fifteen hits and fourteen runs. Walker was nipped for six hits and five markers.

will be played on the greens of the Victoria West club. Those remaining in the fours are Mrs. Walker and Mrs. Arifield of Kerrisdale; Mrs. Leonard and Mrs. Whyte of Kerrisdale; Mrs. Greenwood and Mrs. Scott, of the C.P. Vancouver club and Mrs. Eastham and Mrs. Holmes, of Burrisdale.

In the women's consolation rinks, sixteen rinks competed, completely filling the Victoria West greens during the afternoon. The rinks were composite and the winners finished with a plus score of sixteen. Rink composed of Mrs. Drew, of Victoria, as skip, with Mrs. Hunter (North Vancouver), Mrs. Wardlaw (North Vancouver), and Mrs. Meville (C.P. Victoria), carried off the honors.

Tied for second place were the rinks skipped by Mrs. Peddie, Lake Hill, and Mrs. Webster, Lake Hill, each with a plus score of eleven.

LIFE'S LIKE THAT - By Fred Neher

"It's Good—But It Isn't as Funny as Your Old One!"

**Jane Dixon Says:**

DON'T APPROACH MARRIAGE WITH QUESTION ON MIND—SHOULD LOOK FORWARD JOYOUSLY TO NEW LIFE

Very often it is necessary for us to make some sacrifice in order to attain our ultimate happiness.

If we are in a state of mind or of heart whereby we approach the sacrifice with doubt, with fear, the chances are it is not worth making. Sacrifice for love should be willing, joyous giving.

Dear Jane Dixon: I'm twenty-four and am trained in a very nice woman's profession. I can't seem to decide on what I'd rather do.

For some time I've been going with a young man my own age. He has asked me to marry him. As yet, I have given him no answer. He is the only boy in his family and is quite spoiled. He has a fairly good job. He comes from a good family, respects everyone, and is respected.

My problem is that I've never been in love before; have had the things in life I needed; spent all my money on myself. As a result I've had about everything I wanted, including my own way.

My friends tell me I'll never get along with anyone who has a will of his own. If I do marry I will have to live in small towns and board, as the young man works for a state commission and never stays in one place very long. He won't consent to me staying away from him after we are married.

I don't know if I would be satisfied going from town to town, away from my friends, living in small places. I've never lived in the country. Do you think I would or could be happy?

I don't mind giving up my work and trying to make him a good wife because I do think the wife's place is the home. I'm not narrow-minded about this—if a wife wants to work and her husband doesn't mind that is their business—and generally I believe they are as happy as the others.

My young man says his wife will never work, so please him I won't. Please tell me your answer—Meg.

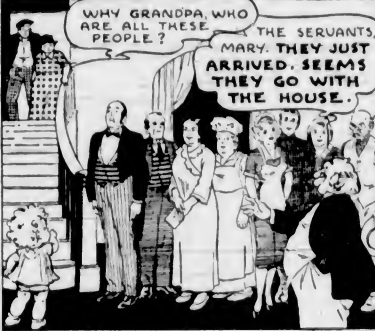

Comment: You could never be happy approaching marriage with a question in your mind. If and when you can look forward joyously to your new life, to sharing it with your young man in a high spirit of adventure and of interest regardless of the circumstances that surround you, then you would find a great happiness.

You will find it trying for a woman who has had her work and her own money to sit idly by all day in a boarding house, watching the clock go around. If you were to have a new home of your own to care for and improve, the situation would be more promising.

Marriage, my dear Meg, is made up of two individuals working as one. Each has a will, so unless you are prepared cheerfully to let the other will have its way at least half the time, you had better make haste slowly.

A true wife is happy any place in the world with the husband she loves and who loves her.

Another Eve

By JANE DIXON

CHAPTER VI
Eve thought, "He's telling himself I'm not the type. No doubt I reek of the honest working class." She tried the trick of looking up from him from a great height. He opened the door, not too graciously.
Before she could penetrate the twilight of the foyer she heard a glad "Eve," and Philip Carver was reassuring her with one of his rare flashing smiles.
"I came in my pumpkin," she said, making no effort to hide her shabby clothes. "There wasn't time to wheel out the gilded coach."
Philip squeezed her arm.
"It wouldn't be right for you to make the rest of 'em look like peasants all the time. Shall we take our coats?"
"Phil, would you mind very much if we went to another place—any place?" She must talk fast. "I'm not up to the glitter tonight."
Something in her voice quickened his perception.
"That's the only reason?" he asked. Then quickly to cover the slip. "I'm sorry. I'd no right to ask that question. We'll go wherever you'd like." Eve stole a look at her watch.

Five-twenty-five. Any minute now Jeffrey Tilford might appear.
"I'll explain on the way," she said almost successfully in concealing her nervousness.
"Right. Let me get my hat. A sorry thing, but mine own."
Another two minutes and Eve's way would have been clear. It may be that she called attention to Destiny to what she had come to believe was her forgotten self when she remarked to Philip Carver that first night they met so dramatically. "I ain't the least interested in me." The goddess reputed in spin destinies dislikes to be tempted. Those who disparage her learn to their sorrow that she is stronger than the best-laid plans, the most

astute and wily machination of her subjects.
At any rate, Phil had returned with his hat and was escorting Eve to the door when there was an influx of pleasure seekers and Jeffrey Tilford, in the vanguard, sighted Eve. He made straight for her with that easy swagger she knew so well. If he saw Philip Carver—and he should have noticed a man so intent on escorting a young woman—he gave no notice.
"An' I late!" he asked, taking possession of Eve's hand. "Had an argument with a pony. Pony had to have his way. I had to have mine. The rascal threw me for a loss. He talked Eve's hand. Her heart began acting like a falling leaf. Was Jeff going to put on one of those hand-kissin' acts she read about? If he dared—she'd die. No. Thank heaven! He looked at her watch. Decorate me, Miss March. He rejoiced. For the first time in my life I'm on the tick of the clock." Eve felt frozen.
What did girls, young women, grown women, in Jeffrey Tilford's world do in such a situation? How could she make him understand? How could she make Phil understand? She couldn't. Not this way. Standing like a stone, Plunge!
"But Mr. Tilford, I'm meeting Phil—Mr. Carver." Her voice stuck in her throat. "I tried to tell you you left in such a hurry—"
A glint that was not laughter

came into Jeffrey Tilford's blue eyes.
"If you are not meeting me Miss March," he said, "why are you here waiting in the foyer at the exact time we agreed to meet?"
A wave of indignation swept over Eve to save her.
"I beg your pardon, Mr. Tilford," she said with the dignity of righteousness. "There was no agreement between us to meet. You asked me to meet you here. I tried to tell you I had an engagement—Phil—but you were in such a hurry to have an argument with your pony that you couldn't wait for the answer."
Something weak and petulant eclipsed Jeffrey Tilford's lion-like world aura.
"You're right, Miss March," he said, calmly. "Maybe it was because you gave me the devil about picking a rose to pieces in dad's shop. My mistake. I make too many of them. If you'll join me—both of you—"

"Give us a rain check, will you, Tilford?" Phil said.
"We've got a long way to go, so we'll be getting along."

What Today Means

"LEO"
If August 5 is your birthday the best hours for you on this date are from 10 a.m. until 12 noon, from 2 to 4 p.m. and from 8 to 10 p.m. The danger periods are from 8 to 10 a.m., from 6 to 8 p.m. and from 10 p.m. until midnight.
"Un governed" impulses will get many people into trouble this day unless they are of an inspirational nature. Avoid giving too impulsive an offering to do favors, for this will make every endeavor to consider practical rather than an optimistic angle. You should be a very entertaining companion. Have a well-

developed sense of humor, and be witty and kind. You may be a bit too unconventional to meet with the complete approval of some of your relatives. Your versatility should be one of your greatest assets and might lead to your doing several things exceedingly well. You probably have more than your share of courage and perhaps express yourself too vigorously if angered. As a sculptor, dramatist, author, singer, sales agent or actress your way-to-fame is apt to be comparatively easy. Your greatest happiness and social triumphs are likely to originate in marriage.
The child born on August 5

usually has many sterling qualities. Ambition will carry it far in life. Wealth and happiness which are blessings possibly will make this youngster's mature years well worth living.
If a man and August 5 is your natal day, you might be an excellent judge of human nature. In all likelihood you will be a better leader than a follower. Through inventing, manufacturing, banking, brokering, acting, writing, painting or the practice of law, money apparently will flow into your pockets and your name will be widely known.
